NORTH VANCOUVER

**MOC SECTION 3
24 CREDITS**

- OR 8 CFPC MAINPRO+ CREDITS
- SATISFIES CPSBC EMERGENCY AIRWAY TRAINING REQUIREMENT FOR ANESTHESIOLOGISTS IN A NON-HOSPITAL SETTING

Join BCAS for this full-day interactive airway simulation workshop. After all, airways are what we do best! Our workshops are fun and low key, intended to reinforce best practices in a supportive and non-judgmental environment. While the course has an airway focus, it will touch on all aspects of anesthesia practice.
